Keeping Networking Simple!

First4Networking!

First4Networking invite you to our structured, monthly, lunchtime speed-networking meetings with the opportunity to reciprocate quality business leads with other local, influential decision makers.
Speed-networking enables you to speak to multiple contacts throughout the meeting enabling you to meet likeminded people, helping to grow your business.

Our groups meet monthly on a specific date with the meeting taking place on a lunchtime (12.30pm - 2pm) fitting in perfectly with the working day. A guest speaker will give a brief presentation at each meeting showcasing their business with a business card draw held monthly to support local charitable causes.

First4Networking pride their groups on **'passing business, not time'** and ultimately...
'Keeping Networking Simple'.
